

# A letter from your teacher...

## What's going on this week?

- I wanted to let all of you know that my husband and I are expecting a baby in July. I have already told my students, but I wanted to let you know, also.
- Just a reminder that all students need to be fever free for 24 hours before returning to school. I am constantly reminding them to wash their hands. It's definitely the time of year for illness.
