

**Want to send a treat for your child and their class  
for a birthday celebration?**

**Because of the new rules due to Covid, we can not allow outside  
food at this time.**

You can put money in your child's My School Bucks lunch account for their birthday celebration. The class may get ice cream from the lunchroom for \$.75 ~ per child. (during their lunch time)

If your child's birthday has already passed then they may still celebrate the day with a day of your choosing. Also, if a classmate can not have ice cream due to allergies we will have substitutions.

***\* Please fill out the form below two weeks before the  
Birthday Celebration Day and return the bottom portion  
to the lunchroom so that we will have enough ice cream  
to accommodate your child's class.\****
