

# 4TH GRADE GIFTED

## February newsletter

### IN THE CLASSROOM:

- Economics and Investing
  - The Stock Market Game
  - Guest Speaker! A former BBE gifted student who invests real money.
  - Tracking our investments... When to hold, buy, and sell
- Competition Opportunities:
  - Rockonomix ([link](#))
  - Color the Concepts

Examples of Rockonomix  
Submissions

### RESOURCES:

- Just an FYI: February is a weird month for gifted classes... Between Dauphin Island, practice ACAP testing, the school-wide field trip, and off-campus training (for me), we will not be operating on our normal pull-out class schedule at all this month. If you have a question about when your child will be in my class, just shoot me a message!
- Cash Kid Podcast- Student out of Birmingham started this podcast on Economics for Kids after learning about econ and the stock market in his gifted class. Your kids will love this

### IMPORTANT DATES

- **February 10-12th**- Dauphin Island

What better way to teach scarcity than a friendly game of musical chairs?
